ABOUT KIWIMBI

Educational

- **93** of our partner **schools** (over 50,000 students) **receive** a rotating collection of **books**

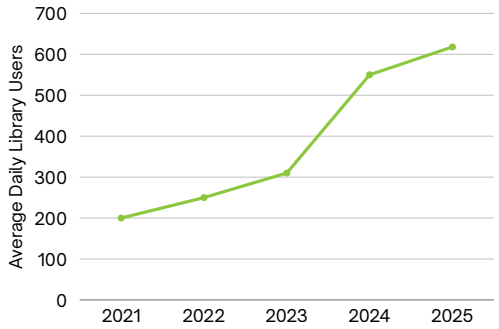

- **1,800+ students** participate in **literacy lessons** each week
- **260+** grade 9 **students receive** intensive **year-long academic support,** preparing for a national academic exam

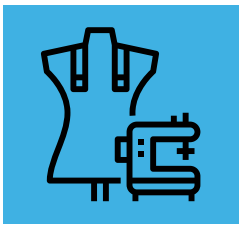

- **67 students** supported in small group **tutoring** sessions **daily**
- **1,850+ students attend camp** when school is not in session, participating in academic and sports/games activities
- **40 teaching assistants employed by Kiwimbi** go to local schools to decrease student to teacher ratio

*Because of you, Kiwimbi is able to run programs that **truly** make a difference!*

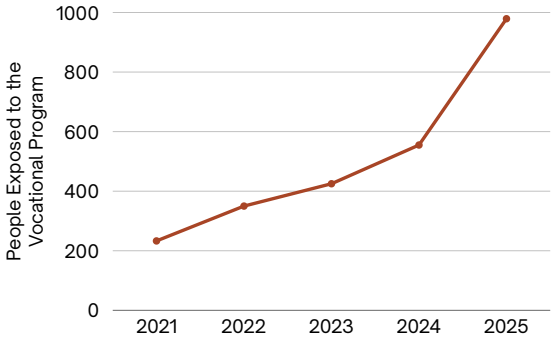

Vocational

- **30 students** learn **tailoring** at three different levels
- **100%** of the last **tailoring cohort** who took the national certification exam **passed**

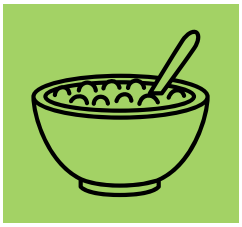

- **10 students** learn skills in the **carpentry** program
- **4 carpentry students passed** national exam recently
- **520+ students** participate in **art lessons** throughout the year

Nutritional

- **400+ daily lunches provided** for the grade 9 students at our 3 Focus Schools, vocational students as well volunteers and Library staff
- 160+ **Gr 4-6 students learn** sustainable **gardening techniques** that they in turn teach their families

- **380+ women** participate in the Agri-Nutrition program and sustainable seed bank, sharing their knowledge of small-plot farming with their neighbors
